ORDER:

In the G.Os cited above the Government have sanctioned 24 posts of Special Assistants (Ex-servicemen's Resettlement) to the Collectors, one in each district except the Nilgiris. Seven of these posts are in the grade of Deputy Collectors and 17 in the grade of Tahsildars. In addition there is a staff of 15 upper division clerks, 21 lower division clerks and 57 peons. The staff is working as Resettlement sections of the District Sailors', Soldiers' and Airmen's Boards concerned. After the establishment of District Employment Offices, the responsibilities of the Special Assistants are limited to receipt and submission of applications for reserved vacancies and execution of Provincial Resettlement Schemes. The Government have fixed the number of the reserved vacancies as demobilisation has reached its final stages and the selecting authorities have taken up the filling up of the vacancies. It has been brought to the notice of the Government that in view of the above facts the work of the Special Assistants in regard to placing of ex-servicemen in vacancies has decreased appreciably. There are at present Ex-servicemen's Land Colonisation and Motor Transport Societies in certain districts which require the supervision of the existing hblders of the posts of Special Assistants. The Director of Resettlement and Employment suggests that the posts of Special Assistants of the districts where there are neither Land Colonies nor Motor Transport Societies, be abolished and the posts in the districts where there are Land Colonisation or Motor Transport Societies or both, be converted into those of Deputy Tahsildars and the work of placing ex-servicemen in reserved vacancies be entrusted to Employment Exchanges or District Employment Offices as the case may be.

2. The Government, after careful consideration and in consultation with the Ministry of Labour, Government of India, direct that the work of placing of ex-servicemen in Provincial vacancies should be entrusted to the Employment Exchanges or the District Employment Offices as the case may be. But the Offices will not be responsible for the selection of persons to be appointed to such vacancies. Necessary instructions to the Employment Exchanges and District Employment Offices regarding the procedure to be followed in dealing with the

p.t.o

the vacancies will be issued by the Regional Director of Resettlement and Employment, Madras in due course.

3. As there are neither Land Colonies nor Motor Transport Societies in the districts of Anantapur, Bellary, Chittoor, Guddapah, Nellore, Ramnad and South Kanara, the Government direct that the posts of Special Assistants (Ex-servicemen's Resettlement) to the Collectors in these districts should be abolished with immediate effect and the clerical staff transferred to the Employment Exchanges or District Employment Offices as the case may be. The posts of peons should be abolished forthwith.

further

4. The Government/direct that the posts of Special Assistants (Ex-servicemen's Resettlement) to the Collectors in the districts where there are Land Colonisation or Motor Transport Societies or both in the grade of Deputy Collectors and Tahsildars should be converted into those of Deputy Tahsildars with effect fron 1st January 1948 or as soon as the Motor Transport Societies are fully established and the administrative control of the Land Colonies is handed over to the Revenue Department whichever is earlier. The Special Assistants will continue to work under the Collectors. The staff except peons now employed with the Special Assistants in these districts should be transferred to the Employment Exchanges or the District Employment Offices and the posts of peons abolished after the conversion of the posts of Special Assistants into those of Deputy Tahsildars.

5. The Co-operative Societies in the districts where there are Land Colonisation or Motor Transport Societies may, if they consider necessary, appoint the required staff from out of their own funds.

6. The Director of Resettlement and Employment should see in consultation with the Collectors concerned that the posts of Special Assist nts in the grade of Deputy Collectors and Tahsildars in the districts where there are Motor Transport Societies are converted into those of Deputy Tahsildars as soon as the Societies are organised
